*Heavenly Father,*

*As Caleb stood before Moses with unwavering faith and confidence, proclaiming, "Let us go up at once, and possess it; for we are well able to overcome it," I come before You with a heart filled with hope and assurance. Just as Caleb trusted in Your strength and provision, I too declare my trust in You, knowing that with You, all things are possible.*

*Lord, I pray for the confidence to face every challenge and obstacle that lies ahead. When doubts and fears attempt to cloud my vision, remind me that I am well able to overcome that fear by moving in Your power. Strengthen my resolve to step forward boldly, knowing that You have equipped me for the journey.*

*Grant me the courage to seize opportunities, even when they seem daunting. Just as Caleb saw the Promised Land as conquerable, help me see possibilities and potential where others may see only obstacles. Empower me to embrace new ventures and ideas with unwavering faith in Your guidance and provision.*

## *Daily Prayer*

*Lord, I acknowledge that my strength and abilities come from You. Your Word reminds me in Philippians 4:13 that I can do all things through Christ who strengthens me. In moments of uncertainty, may this truth anchor my soul and renew my confidence in Your steadfast love and grace.*

*As I move forward on this journey, I place my trust in Your divine wisdom and direction. Guide my steps, and may Your will be done in every aspect of my life. May my actions and decisions reflect Your glory and honor.*

*Thank you Lord, for the confidence that comes from knowing You are with me every step of the way. I am grateful for Your unfailing love and the assurance that I am well able to overcome any challenge through Your strength and grace.*

*In the precious name of Jesus I pray,  
Amen*
